Pelham Town Council (2014 to 2018) left to right: Councillor Peter Papp, Councillor Richard Rybiak, Mayor Dave Augustyn, Councillor John Durley, Councillor Catherine King, (seated) Councillor Gary Accursi, Councillor Marvin Junkin.

A Message from Mayor Augustyn

On behalf of Pelham Council, I am honoured to extend greetings to you.

Your Council strives to promote fairness and equity, to maintain our small-town feel as we grow, to provide an environment for economic prosperity, to engage you and other residents in our decision-making, and to enhance the quality of life in our Town.

Working together with you, we can serve and enhance our unique blend of urban and rural lifestyles and achieve our vision to become the most vibrant, creative and caring community in Niagara.

Please find information about our distinctive community in this Community Guide. Should you require any additional information, Town staff will gladly assist you.

Let's continue to work together to ensure Pelham remains a great community in which to live, work, play and visit.

Yours sincerely,

Dave Augustyn, Mayor

Winter Control Operations

NO PARKING

WINTER PARKING REGULATIONS IN EFFECT

No parking allowed on ANY Town streets at ANY TIME so as to interfere with the clearing of snow or the application of sand or salt to the roadways.

If 5 cm or more of snow accumulation or blowing wind drifts are forecasted, then parking is not allowed on any Town streets during snow plowing.

Where do we do it?

The Public Works Department is responsible for snow removal in the downtown commercial areas of Fenwick, Fonthill and Ridgeville, to accommodate parking and businesses. Snow is removed from these designated areas as soon as possible after a storm has passed and the windrows exceed 1 meter in height. The Highway Traffic Act limits the hours equipment operators are able to operate vehicles and equipment. Only after equipment operators are provided the required off-duty time and no further snow is forecast will snow removal operations commence.

How is it all done?

The Pelham Public Works Department provides snow clearing services for 235 kilometers of municipal roads throughout the Town during the winter season. Roads are maintained by our equipment operators using a fleet of seven snow plow trucks across a diverse transportation system ranging from arterial and collector-type roads to steeply graded hills and subdivisions.

What do we do?

At the onset of a storm, roads are treated with sand and salt at intersections, on hills and curves. Once snow has accumulated to 5 cm, snow plowing operations begin. During continuous and prolonged storms the priority is to maintain the arterial and collector-type roads. Once the storm has passed or diminished in strength, snow plows return to clear and treat all secondary roads, subdivisions and cul-de-sacs. The goal is to clear and treat all roads within 24 hours after a storm has passed.

How do we do it?

During snow plowing operations, our equipment must clear the snow from the road. Plows are designed to move snow from the road and push it to the curb. As the snow rolls off the plow it will accumulate at the side of the road including driveway entrances. Please understand that this is an unavoidable function of the plow and is not done intentionally. To reduce the amount of snow deposited by your driveway, pile snow on the right side of your driveway, looking towards the road.

Sidewalk Plowing

During the 2013-2014 winter maintenance season, the Public Works Department began plowing all sidewalks throughout Town.

This coming winter season, crews intend to once again plow all 65 kilometers of sidewalks within 24 hours of the end of a storm event.

Winter Control Operations

Be in the Know when it Starts to Snow

Winter Control Operations Protocols

	 2.5 cm	 5 cm	 5 cm +	 Post-Snowfall	 Post-Storm
Forecasting	Storm Begins	Facility Parking Lots & Sidewalks	Plowing Operations	Sidewalks & Cul-de-Sacs	Post Storm Patrols
Staff monitors multiple weather sources for a consistent forecast and plans operations.	Staff begins salting & sanding operations of arterial & collector-type roads, sharp corners & steep hills.	Staff clears snow in front of municipally owned & operated buildings.	Staff starts plowing operations of roads in priority sequence: <ul style="list-style-type: none"> • arterial • collector-type • rural • residential 	Staff begins: <ul style="list-style-type: none"> • clearing municipal sidewalks • removing snow from commercial areas, if required • clearing cul-de-sacs, dead-ends & road widenings 	Staff debriefs and tends to any service concerns, if necessary.

During a winter storm event, crews work around the clock to complete operations within prescribed service levels. Kindly help them out by remembering:

- DO NOT park on roads when snow clearing operations are underway.
- Pile snow from your driveway and walkways onto your property - not on the road.
- Do not push snow into the traveled portion of the road.
- To assist with sidewalk clearing, help by removing snow from the sidewalk in front and beside your property as soon as you can after a snowfall and apply sand or salt when icy.
- Keep children safe by preventing them from playing or building snow forts in the snowbanks at the side of the road.
- Keep fire hydrants clear and accessible.
- Help prevent road flooding and icing by clearing snow away from storm sewer catch basins near your property.
- On garbage day, place all garbage and recycling containers on your driveway near the edge of the road. Don't place garbage or recycle boxes on top of snowbanks.
- If you need to drive during a winter storm plan your route accordingly. Roads with steep hills may be difficult to navigate during snow events.

Code of Conduct for Building Officials

vibrant • creative • caring

www.pelham.ca

Town of Pelham - Code of Conduct for Building Officials

BLDG/17 POLICY (2004) STATEMENT:

WHEREAS the Building Code Statute Law Amendment Act, 2002 amended the Building Code Act, 1992 to include a provision requiring that municipalities establish and enforce a Code of Conduct for chief building officials and inspectors not later than July 1, 2005, and bring it to the attention of the public;

NOW THEREFORE the Council of the Town of Pelham enacts this policy and its standards of conduct and professionalism as its Code of Conduct for Building Officials. The Code of Conduct applies to the chief building official and inspectors appointed under the Building Code Act in the exercise of a power or the performance of a duty under the Building Code Act or the Ontario Building Code. The purpose of this Code of Conduct is to promote appropriate standards of behaviour and enforcement actions to ensure building officials apply standards of honesty and integrity, and to prevent practices constituting an abuse of power including unethical or illegal practices.

STANDARDS OF CONDUCT FOR BUILDING OFFICIALS

Building Officials undertake at all times to:

1. Act in the public interest, particularly with regard to the safety of buildings and designated structures;
2. Maintain their knowledge and understanding of the best current building practice, the building laws and regulations relevant to their building certifying functions;
3. Commit themselves to a process of continuous education so as to constantly be aware of developments in building design, practice and the law relevant to their duties;
4. Comply with the provisions of the Building Code Act, the Building Code and any other Act or applicable law that regulates or governs building officials and their functions;
5. Avoid situations where there may be, or where there may reasonably appear to be, a conflict between their duties to their clients, their profession, their peers and the public at large and their personal interests;
6. Not act beyond their level of competence or outside their area of expertise;
7. Apply all relevant building laws, regulations and standards strictly and without favor and independent of the influence of interested parties or members of municipal council;
8. Perform their inspections and certifying duties impartially and in accordance with the highest professional standards;
9. Not divulge any confidential or sensitive information or material, that they became privy to in the performance of their duties, except in accordance with laws governing freedom of information and protection of privacy;
10. Extend professional courtesy to all;
11. Not act officiously or permit personal feelings, prejudices, animosities or friendships to influence decisions;
12. Recognize the appointment under the Building Code Act as a symbol of public faith;
13. Maintain current accreditation to perform the functions assigned to them;
14. Take all reasonable steps to ascertain and document all available facts relevant to the performance of their duties; and,
15. Exemplify compliance with all regulations and standards that govern building construction, health and safety or other matters related to their status as a building official.

GUIDELINE FOR RESPONDING TO MISCONDUCT ALLEGATIONS

The Building Code Act provides that the performance of building officials will be measured against this code of conduct. In response to any allegation of a breach of this code by an inspector, the chief building official shall direct an investigation and where appropriate, recommend disciplinary action against any inspector who fails to comply with this code of conduct to the Chief Administrative Officer. Where the allegation is against the chief building official, the Chief Administrative Officer shall direct the investigation and take such disciplinary action as is reasonable in the circumstances and report such action to the Council.

In determining the appropriate discipline, the chief building official or chief administrative officer will have regard to the relevance of the conduct to the building official's powers and responsibilities as well as the severity of any misconduct.

PUBLIC NOTIFICATION PRACTICE

This Code of Conduct is posted on the Town's website, published in the Town's Community Guide, and inserted in the "Building Permits-A Guide for Homeowners" handout to ensure it has been brought to the public's attention.

Pelham Fire Services

Pelham Fire Services is committed to providing the best possible emergency services to protect the life and property of the residents we serve.

Home Fire Sprinklers

Over 80% of fire deaths occur in the home. Home fire sprinklers can save lives. They respond quickly and effectively to fire, often extinguishing the fire before the fire department arrives. Only the sprinkler closest to the fire will activate, spraying water on the fire.

New this Year for Fire Prevention Week

Pelham Fire Services will raffle off some delicious chocolate smoke alarms between October 4-10, 2015.

Fill out a ballot at the Pelham Library Fonthill Branch, the Pelham Farmers' Market and during the free hot dog lunch on Saturday, October 10, 2015

2015 Fire Prevention Week

October 4-10, 2015 is Fire Prevention Week and this year's theme is "Hear the beep where you sleep!" This is a great time to connect with Pelham Fire Services! Once again, all three stations are sending trucks door-to-door in their areas to check your smoke alarms and CO detectors and to answer any questions you may have about fire safety.

Also happening during the week...

On Wednesday, October 7, 2015 (evening) Pelham Fire Fighters will help deliver your Mossimo's Pizza in their fire truck. While they're there, if your smoke alarms/CO detectors are all installed and working properly, the pizza is free! If not, the fire fighters will help out to keep you safe.

On Thursday, October 8, 2015 Pelham Fire Services will be at the Pelham Farmers' Market with Sparky the Fire Dog making the rounds and sharing information.

On Saturday, October 10, 2015, 12-2pm join Pelham Fire Fighters at the Fonthill Shopping Plaza (in front of Giant Tiger) for a free hot dog lunch. Meet Sparky the Fire Dog and learn more about fire prevention.

Town Committees

The Committees featured here are only a few of the Committees that contribute to our Town's vibrancy. Please see our website at pelham.ca for information on all Committees.

Adopt A Road, Trail, Park Program

The Town of Pelham organizes the program as a public service program for volunteers to pick up litter along certain locations in Town. It is a way for environmentally conscientious citizens, community and civic organizations, private businesses and industry, to contribute to a cleaner environment and a more beautiful Town. Under the program, groups and individuals agree to adopt a section of Town right-of-way, garden, park or trail and keep it clean. In addition to the satisfaction gained by providing a cleaner environment, the volunteers are recognized by a sign erected by the Town acknowledging their efforts. Interested in participating in the Pelham Adopt-A-Road program? Please contact Public Works at 905-892-2607 ext. 332 or ctonon@pelham.ca.

Beautification Committee

The Pelham Beautification Committee holds several annual events: a Spring Community Clean Up, which includes a Corporate Challenge Day, Student Participation Day and Community Participation Day; the Garden Tour in the summer; and the Trillium Awards with judging held in August. If you would like to learn more about Communities in Bloom or would like to become a part of the committee, please contact Public Works at 905-892-2607 ext. 332 or ctonon@pelham.ca.

Mayor's Youth Advisory Council

The Mayor's Youth Advisory Council, a communication link between the youth of Pelham and Pelham Town Council, addresses the needs of youth in our community, encourages youth volunteerism, and members serve

as role models for their peers. Established in May of 2004, the MYAC consists of Pelham residents, Grade 7 to 12. The youth meet on the fourth Tuesday of each month for regular Council meetings, which are also open to the general public. The Council's term runs from September to June each year, with additional members being appointed as necessary. Since the start of the MYAC, the youth

have hosted and participated in a number of specially organized projects such as a Youth Forum, Pelham Summerfest, Annual Community Participation Day, the Santa Claus Parade, Canada Day Celebrations, Pelham's Annual Food Drive, launch of the Niagara Children's Charter of Rights, their annual Pumpkin Carving Contest and Halloween Skate, Talent Shows, Art Music Pelham Festival (AMP fest), Outdoor Movie Night and Pink Shirt Day anti-bullying campaign. Check out our Facebook page, find us at the Town of Pelham's website pelham.ca or contact mayordave@pelham.ca for more information.

Seniors' Advisory Committee

This Committee, established in 2014, serves in an advisory capacity to Pelham Town Council and Staff on matters that impact quality of life and provide solutions through the lens of Pelham's Senior Residents. The Pelham Seniors' Advisory Committee actively promotes the needs of Pelham Seniors to residents, local agencies, businesses and community schools. Their involvement encourages the Town and community to view policies, projects and programs with an age-friendly perspective.

The Pelham Seniors' Advisory Committee is actively working toward the following five goals:

1) Be an advocacy group for seniors, 2) Increase support in seniors programs, 3) Increase public transportation in Pelham, 4) Create a mechanism for research, information and fact finding, and 5) Create a link and bridge the gap between seniors and other groups. The Committee meets on a monthly basis, September through June. All meetings are open to the public and meeting dates and times are posted on the Town's website calendar at pelham.ca/calendar. For more information contact the Chief Administrator's office at (905) 892-2607 ext.337 or motoscher@pelham.ca.

Town Committees

Pelham Active Transportation Committee

active@pelham.ca | pelham.ca/active

Pelham is a great place to walk, cycle and stay active - let's make it even better! With the Steve Bauer Trail and over 42 kilometres of sidewalks, as well as challenging, scenic rural roads, many of Pelham's residents are walking and cycling every day! The Town of Pelham is a designated Bicycle Friendly Community (silver award) and Walk Friendly Community (bronze award). The Pelham Active Transportation Committee (PATC) is a citizen's group established by Pelham Town Council and dedicated to Council's interest in ensuring that Pelham is pedestrian and cyclist friendly.

The Committee is focused on:

- promoting active transportation, such as walking and cycling, in Pelham
- linking and promoting Pelham's trail systems
- providing Council with input and recommendations regarding road and sidewalk improvements
- identifying any safety issues which impede pedestrians and cyclists, and promoting car-free pedestrian events such as Pelham's Summerfest

We'd Like to Hear from You:

If you have ideas or concerns related to pedestrian or cycling issues in Pelham or if you are interested in joining the PATC, contact the Committee by emailing active@pelham.ca or contacting the Town of Pelham, Public Works at 905-892-2607 ext. 332. The PATC also seeks input at many community events. Follow the activities of the PATC by checking the Town's website at pelham.ca/active. The PATC meets at the Municipal Office on the third Tuesday of every month, September to June, from 6 to 8 pm.

Town Facility Rentals

Old Pelham Town Hall

491 Canboro Rd., Ridgeville

First built in 1888, the Old Pelham Town Hall offers a beautiful Victorian style location for your next event. The newly renovated building would be the perfect facility for small weddings, showers or family gatherings. The hall has a capacity of 139 people, is air-conditioned and is handicapped accessible.

Pelham Arena Community Hall

1120 Haist Street, Fonthill

The Community Hall above the arena has a floor capacity of 188 people (with tables and chairs) or 225 people (with chairs only). This air-conditioned hall is approximately 30' x 90' (2,700 sq. ft.). The Community Hall is available year round for dances, weddings or other special events. Please note this hall is not handicapped-accessible.

Both halls have kitchen, washroom and bar facilities. Tables and chairs are also included with rentals. It is the renter's responsibility to set up tables and chairs and re-stack once rental is complete. A damage deposit is required for each rental. Renters are required to have liability insurance coverage prior to rental date. Call 905 892-2607, ext. 347 to check availability and current rates.

Pelham Public Library

Where is the magical place where pirates swagger, dragons light up the sky, where heroes and heroines still save the day?

Where can people read the daily news in six papers, catch up with neighbours, share interests, check their email and enjoy time with children?

Where can you learn a new skill, borrow an e-reader or get help with your own gadget? Where can you meet a favourite author or be creative? **It is the Pelham Public Library.**

Make copies or print. Send a fax. Find information through our databases, on the shelves or let our staff help you do an effective Internet search. Explore the place where literature intersects life in a book club. Cry through the latest chick flick or let an action movie keep you on the edge of your seat. Let our music downloads bring back nostalgic memories or rock your house. Find a book format to suit your needs.

Learn a new language. Rediscover your childhood as you blow bubbles, sing and enjoy stories with a child. The library is at your fingertips from home with our online catalog, databases, children's literature and games, and downloadable books, music and films. Discover for yourself why friendly staff, innovative programs and great books make Pelham residents among the top public library users in Niagara. Visit us in Fonthill or Fenwick.

The Pelham Library is overseen by a Board appointed by The Town of Pelham and meets the fourth Wednesday at 4:30 pm (except July and December)

Volunteers of all ages are an integral part of the Pelham Library. Join our team which donated 2200 hours last year and help with book sales, clothing sales, fundraising, children's programs or other special projects throughout the year.

Johnson Farms-Family Owned and Operated

From Our Fields to Your Home

For over 40 years the Johnson Family has been dedicated to farming, food and family. Lee Johnson, coming from 5 generations of tender fruit farmers in the Niagara area, had a plan for him and his wife Brenda to build a farm they could call their own. In 1974 they started with 5 acres of vegetables and cherries on Memorial Drive. The first apple trees, which were Cortlands were planted on that property in 1980 where they remain highly productive to this day. The farm continued to expand by planting large acreages of vegetables in the area, and more property was acquired in 1985 on Balfour Street for fruit production.

Growing up on the farm their four children gained firsthand experience of the ins and outs of farm life. In 2005 Spencer decided to fully dedicate himself to the farm and with the help of his parents, began planting high density apple, peach and sweet cherry orchards, one of which on the property he and his wife Danielle own on Foss Road in Fenwick. The Johnson family now farms 200 acres mixed between fruits vegetables and a limited amount of cash crop.

Lee and Brenda's youngest son Nate, now farming with the family, has become heavily involved in the business over the past couple of years. Along with his wife Alicia, they have taken on the farm gate retail store on Foss Road, and provide the farm's fresh produce to many dedicated wholesale customers.

All and all the Johnson Farm specializes in high quality apples and has all the right

varieties ranging from the older heritage types like Golden Russet and Northern Spy, to the newer sought after varieties such as Ambrosia and Honey Crisp. In the next five years the apple orchards will be almost doubling their production, which means, more apples for the public.

Dedicated to producing these high quality products and bringing fresh produce from their fields to your home, Johnson Farms Country Market was created. The storefront was built on the Foss Road Farm. Customers have access to everything from fresh fruits and vegetables, baked goods and over 15 varieties of preserves such as their award winning salsa and chili sauce.

The Johnsons also help to serve the community through local Farmers Markets in Welland, Port Colborne, Fenwick and even at the St Jacobs Farmers' Market.

The Johnson's are dedicated to producing the product people want, giving their community the opportunity to buy local.

They wanted to thank the community for your support!

1. Arena Walls: \$125 per year + HST
2. Arena Boards: 1st year cost \$210 (sign board & clear protective coating)
plus \$18.75 per ft + HST 2nd & 3rd year \$62.50 per ft + HST
3. Ice Resurfacer: \$500 per year + HST

By advertising at the Pelham Arena you not only expand your present clientele, you also help support a worthwhile community facility. Revenue received from the advertising space helps to offset the annual costs in an effort to keep rental rates low. This includes rates for our youth sports organizations. We require that all advertisers sign a two-year contract.

Helmets and a bike in good working condition are required, and you can try three rides before joining the club. Visit our website for details.

Pickleball

Website: www.pelhamtennis.ca/pickleball

Pelham now has 4 outdoor Pickleball Courts. The courts are located at the Pelham Tennis Club in Centennial Park (999 Church Street, Fenwick). Pickleball is the fastest growing activity in North America. If you like tennis, badminton or table tennis then Pickleball is for you. Pickleball is a great way to get active and lots of fun. The game is easy to learn for all ages.

Pelham Bocce League

Contact: Bob Yager 905-892-8642

Bocce Ball is designed to provide a one-night-a-week team sport for mature adults who are looking for a game that provides fun as well as friendly competition. Bocce is somewhat similar to lawn bowling but this league plays on grass, giving much more leeway to tossing and scoring. Anyone interested in participating can contact Bob Yager at 905-892-8642 or just come to the Fenwick Lions Park on Wednesday evening at 6:30 p.m. in early June to see what it's all about.
